THE LIVINGFUEL EXPERIENCE

You hold in your hands the most powerful, high-impact, life changing whole meal superfood in existence. Use it and you will experience a new level of energy, vitality and performance. LivingFuel, the leader in superfood nutrition, has created this one-of-a-kind foundational daily superfood for everyone who wants to achieve Super Health. When we say everyone, we mean **EVERYONE** in your family – from world-class athletes to those with health-challenges. LivingFuel is a foundational superfood that can help boost energy levels, stabilize blood sugar, optimize weight, build muscle and detoxify the body. The key to Super Health is giving your body everything it needs. LivingFuel is just that: everything your body needs. For recipes and information on how you can live a Super Health lifestyle – and to learn more about our other high impact products like LivingFuel SuperGreens, visit us at www.livingfuel.com

DIRECTIONS For delicious SuperSmoothie and other recipes, visit www.livingfuel.com

AS A FIRST TIME USER

Try LivingFuel SuperBerry® in a blender in a SuperSmoothie (see below). Many users start with a full serving as a complete meal, while others begin with a smaller serving size with meals and gradually work up to a full serving size. Visit www.livingfuel.com for SuperSmoothie recipes.

AS A COMPLETE AND BALANCED MEAL

Mix one serving (2 scoops) in 12-18 oz. spring or purified water until the desired consistency is achieved. Use a blender, shaker cup, or Living Fuel Blender Bottle.

AS A DELICIOUS SUPERFOOD SMOOTHIE

Mix two scoops of either LF SuperBerry® or LF SuperGreens or a combination of both into 16+ oz. of spring or purified water. For additional protein and fiber, add one scoop of LF LivingProtein®.

- Replace 2-4 oz. of water with your favorite fruit juice, vegetable juice, coconut milk, rice, almond or oat beverage (organic is best).*
- Add 1/4 to 1/2 serving of fresh or frozen berries or other fruit.*
- Add coconut oil, almond or nut butter, or LivingFuel CocoChia® Snack Mix (chia seeds & coconut).
- Use a blender with or without ice until smooth (visit www.livingfuel.com for blender recommendations).

FOR CHILDREN

LF is outstanding for children. As with any food, use proportionally based on age, appetite, and weight.

Satisfies hunger for as long as 3-6 hours depending on activity level. Adding LF LivingProtein to LF SuperBerry can extend satiety between meals. Drink as often as you like and enjoy optimal health.

LF SuperBerry® is designed to be at room temperature and refrigeration is only necessary for warmer temperatures or longer periods of storage after opening. Please discard the (2) non-toxic oxygen and moisture absorbing packets upon opening to avoid unintentional consumption.

*To reduce glycemic intake you may want to minimize juices and fruit over time.

Certified for Use in Amateur & Professional Athletics

LIVINGFUEL SUPERBERRY® ORIGINAL

The Super Meal You Can Drink!™

Everything Your Body Needs

Replaces Supplements and Food, Satisfies Hunger & Cravings
Ideal for Vegetarians & Gluten Sensitivities
